

You Can Now Pay Your Property Tax Online

Beginning September 2015, the Township has added the ability to view and pay property taxes online through the municipal website. In addition to currently paying property taxes by mail and in person, payments can now be made electronically through the Link2Gov/ WIPP payment system. There are fees associated with paying a property tax bill online. If you pay by ACH or e-check, there is a \$1.05 convenience fee. If paying by a Visa personal debit card, there is a \$3.95 convenience fee. The fee for all other debit and credit card payments will be approximately 2.95% of the total amount to be processed. The convenience fees are collected by the processing agency directly.

Credit/Debit card payments are unable to be processed in person.
